

RPM International Inc.

Hotline Instructions

While compliance matters can often be resolved at the local level, the RPM International Inc. (“RPM”) Hotline provides another way for you to report concerns or provide information about questionable or improper accounting or financial matters or unethical, illegal or unsafe business practices.

You may use the Hotline in two different ways.

1. You may submit a report in writing at <https://iwf.tnwgrc.com/rpminternational>, or
2. You may call the Hotline as follows:
 - a. In the U.S. and Canada, call toll-free **1-888-898-4088**
 - b. From outside the U.S. and Canada, dial your ATTD access code (the correct access code for your country and given location can be found on the attached chart), wait for the tone or prompt, and then call the appropriate phone number listed in the attached chart that is applicable to your country and preferred language.
 - i. Translation services are available.
 - ii. Some international restrictions may apply. Please refer to the chart for specific restrictions.
 - iii. Note that Hungary and Spain have special ITFS collect calling numbers.

The RPM Hotline is operated by specially trained third-party representatives who are not employed by RPM, and it is available 24 hours a day, 7 days a week, 365 days a year. Representatives from the Hotline will listen to, or read, your concerns, ask questions, and review the information provided. They will then forward your matter to RPM for appropriate action.

Telephone calls to the Hotline are not traced or voice recorded, and in many cases, reports made to the Hotline can be anonymous, however the laws of some non-U.S. countries prohibit or discourage anonymous reporting, and may limit the subject matter of the information that can be reported via the Hotline. When making a report, Hotline representatives may advise you of any applicable reporting restrictions.
